Backup Services

Brie McIntosh - 2026-08-12 - Services

Computer Lab Backups

CAD Tech does **not** back up data on computers in the labs and strongly encourages you use other means of storing your files, such as external hard drives.

Faculty & Staff Backups

CAD Tech offers RIT's Crashplan service. Read more here: Backup solution for RIT Faculty and Staff

Server Backups

CAD Tech handles backups of a number on server-based storage solutions, with the exceptions of Transfer.
