

## Computer Lab Status

Erich S. Lehman - 2026-05-28 - [Computer Labs](#)

Please refer to the table below for information about a specific lab's schedule and equipment status.

We are in the process of rebuilding the Scheduling Site, but you can access our development site here in the interim. Please note, it may load slowly right now, so please allow the page to load:

<https://schedule.cad.rit.edu/>

All **Undergraduate Labs** are available to **ALL CAD students** via RIT cardswipe. Labs are open 24/7.

**Graduate Labs** are restricted to **graduate students in those programs** via RIT cardswipe.

You can check what software is available in each lab via our Keyserver site:
