

How to install Cisco AnyConnect VPN for RIT?

CAD Tech Student Managers - 2022-11-08 - How-to Articles

1. Go to <http://vpn.rit.edu>.
2. Check the 'I agree' box. This will bring up a login for your RIT credentials.

RIT VPN Login

The Software provided to You is subject to U.S. export control laws and regulations and may also be subject to import and export laws of the jurisdiction in which it was obtained, if outside the U.S. You shall abide by all applicable export control laws, rules and regulations applicable to the Software. You agree that You will not export, re-export, or transfer the Software, in whole or in part, to any country, person, or entity subject to U.S. export restrictions. You specifically agree not to export, re-export, or transfer the Software (i) to any country to which the U.S. has embargoed or restricted the export of goods or services, or to any national of any such country, wherever located, who intends to transmit or transport the products back to such country. Countries listed in Part 746 of the EAR as embargoed destinations requiring a license are Cuba, Iran, North Korea, Sudan, and Syria; (ii) to any person or entity who You know or have reason to know will utilize the Software or portion thereof in the design, development, production or use of nuclear, chemical or biological materials, facilities, or weapons; or (iii) to any person or entity who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government.
