

Locker Portal

CAD Tech Student Managers - 2024-11-06 - Services

CAD offers an online portal to manage your rental of lockers.

<https://request.cad.rit.edu/lockers>

Here are a couple of key things to know about lockers and CAD

- Locker availability is on a first come first serve basis.
- Rental of lockers is free.
- You will be able to rent ONE locker, depending on the area.
- Only SOFA students may rent lockers in the SOFA areas.
- Your locker will need to be extended every year, there will be reminder emails to help you out.
- If you don't want your locker anymore you can return it from the portal very easily.

*** Locker Portal is anticipated to move into CAD's Checkout Portal at the start of Fall 2025. All lockers you have assigned to you will be transferred over. Non-CAD students will not be able to utilize CAD Locker spaces starting in the Fall 2025 term.*
